## Education

- 2012-present PhD Candidate (Joint Master-Doctor Program) in Computer Science and Technology  
School of Computer Science and Technology, Shandong University  
Advisor: Prof. Xueying Qin
- 2008-2012 Bachelor Degree in Software Engineering  
Software College, Shandong University

## Publications

- JCAD&CG **Wang Bin**, Chen Wenzheng, Zhong Fan, Tu Changhe, Qin Xueying, Peng Qunsheng. *RGB-D Video Segmentation via Geodesic Spatio-Temporal Propagation*. Journal of Computer-Aided Design & Computer Graphics, 2015, 27(10): 1816-1822 (in Chinese)
- TVC Guofeng Wang, **Bin Wang**, Fan Zhong, Xueying Qin, Baoquan Chen. *Global Optimal Searching for Textureless 3D Object Tracking*. The Visual Computer, 2015, 31(6-8): 979-988

## Skills

- Programming C++(proficient), Python(familiar).
- Library OpenCV, OpenGL, Caffe with practical experiences.
- Language Chinese Mandarin(native), English(fluent).

## Services

- SV Student Volunteer of *SIGGRAPH Asia* (2013, 2014)
- TA Teaching Assistant of *Augmented Reality DIY* (Summer 2015)
- TA Teaching Assistant of *Digital Image Processing* (Fall 2013)

## Awards

- 2015-2016 1st Outstanding PhD Scholarship of Shandong University
- 2014-2015 1st Outstanding PhD Scholarship of Shandong University
- 2013-2014 1st Outstanding PhD Scholarship of Shandong University
- 2010-2011 2nd Outstanding Undergraduate Scholarship of Shandong University
- 2009-2010 3rd Outstanding Undergraduate Scholarship of Shandong University
- 2008-2009 3rd Outstanding Undergraduate Scholarship of Shandong University
